Position

The Great Lakes Commission-Sea Grant Fellow will work with members of the Great Lakes' science, policy and information/education communities to advance the environmental quality and sustainable development goals of the Great Lakes states. In so doing, the Fellow will contribute to and benefit from research coordination and policy analysis activities. The Fellow will be housed at the Great Lakes Commission offices in Ann Arbor, Michigan.

Assignment

The length of assignment is for one year and is nonrenewable. The inclusive dates of the official fellowship are June 2, 2014 until May 30, 2015; however, these dates are flexible to accommodate academic semester or recipient needs.

Eligibility

Eligible applicants include students who, at the time of application, are in a graduate or professional degree program in public policy, public health, natural resources, aquatic sciences or other related field at a U.S. accredited institution of higher education in the United States.

How to Apply

Interested individuals should contact and apply for this fellowship opportunity through a state Sea Grant program, or for more information please contact:

Christine Manninen, Communications Director
Great Lakes Commission
2805 S. Industrial Hwy., Suite 100
Ann Arbor, MI 48104
Phone: 734-971-9135
manninen@glc.org

Qualified students should submit their applications to a state Sea Grant program director, who then screens the applications for forwarding to the Great Lakes Commission. For more information, visit www.glc.org/about/scholarships/fellow.
