

**University of New Hampshire**  
**Assistant Professor in Biological Sciences (Four Positions)**

The University of New Hampshire, College of Life Sciences and Agriculture seeks to hire four tenure-track Assistant Professors with demonstrated interests and expertise in: Neurobiology (2), Pharmacology (1) and Bioinformatics (1). Candidates must have a Ph.D. and have demonstrated potential to develop and lead productive research programs. We seek individuals who can integrate their areas of strength with existing academic and research programs. They will be expected to compete successfully in national funding initiatives and to achieve national and international recognition in their fields. Successful candidates will also be expected to train graduate students and teach courses at the undergraduate and graduate levels.

Complete application information is available at: [colsa.unh.edu/employment](http://colsa.unh.edu/employment). Review of applications will begin on January 20, 2015 and will continue until the positions are filled. Please direct all inquiries to Jane Garnett, COLSA Search Coordinator, 603-862-5417, [jane.garnett@unh.edu](mailto:jane.garnett@unh.edu).

All applicants will be required to apply online at the following web site: <https://jobs.usnh.edu>.

UNH is an AA/EEO Employer. UNH is committed to excellence through the diversity of its faculty and staff and encourages women and minorities to apply.
