

ANALYTICAL OR PHYSICAL CHEMISTRY FACULTY POSITION

The University of Georgia Department of Chemistry invites applications for a tenure track faculty position in Analytical or Physical Chemistry, commencing August 1, 2016, at the level of Assistant Professor. The Department of Chemistry provides an excellent environment for multidisciplinary research. Candidates in experimental research areas will be given highest priority. Successful applicants will have a strong research record, demonstrate creativity in their research plans, and exhibit a strong commitment to teaching at the graduate and undergraduate levels. A Ph.D. in chemistry or related field and at least one year of postdoctoral experience are required. Candidates should submit a cover letter of interest that addresses how credentials and experience meet the responsibilities and qualifications of the position, curriculum vitae, concise statements of research and teaching plans (no longer than 8 pages), and arrange for at least three letters of recommendation to be submitted in pdf format. The application materials must be submitted electronically (<http://facultyjobs.uga.edu/postings/341>); applications submitted any other way will not be considered. Letters of recommendation should be sent by email to laveatch@uga.edu with the subject line ASOP15. Review of applications will begin on December 1 and continue until the position has been filled. The University of Georgia (www.uga.edu) is a land and sea grant institution located 60 miles northeast of Atlanta (www.visitathensga.com), and is committed to increasing the diversity of its faculty and students, and sustaining a work and learning environment that is inclusive. Women, minorities and people with disabilities are encouraged to apply. The University of Georgia is an Equal Opportunity/Affirmative Action employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability, gender identity, sexual orientation or protected veteran status.
