

TEXAS, SAN MARCOS.

The Department of Geography at Texas State University invites applications for a **tenure-track Assistant Professor** position in **Physical Geography** to begin **Fall 2020**. We seek individuals with exceptional potential as scholars and teachers. The position includes teaching at the undergraduate and graduate levels, maintaining an active research agenda, and advising Masters/PhD students.

Required Qualifications:

- A PhD degree in Geography, Earth/Environmental Sciences, or a related field, is required by time of appointment;
- A demonstrated record of publishing peer-reviewed scholarship;
- Ability to develop a strong and active research agenda;
- Ability to teach physical geography courses at introductory and advanced levels.

Preferred Qualifications:

- Ability to teach water resources;
- Ability to teach field methods and /or quantitative methods;
- A demonstrated record of seeking/securing research funding.

Only applications submitted through the Texas State University website will be accepted and considered (<https://jobs.hr.txstate.edu/postings/25264>). To ensure full consideration, please submit the materials listed below by October 1, 2019:

The application must include:

- 1) a letter of application outlining the applicant's research credentials, teaching experience, and career goals that meets the required and preferred qualifications as stated above;
- 2) an up-to-date curriculum vitae;
- 3) at least one sample of published scholarship in physical geography;
- 4) course teaching evaluations (if available);
- 5) the name, e-mail address, and telephone number of three references. Please provide the names and email addresses for your references in the Reference Letter section of the employment application. Upon submission of your application, an automated email will be generated and sent to your references with instructions on how to attach the reference letter to your application through a confidential online portal.

For inquiries, please e-mail Dr. F. Benjamin Zhan, chair of the Search Committee, at zhan@txstate.edu and indicate "Physical Geography Assistant Professor Position" in the subject line of all correspondence.

The Department of Geography at Texas State University has 38 full-time faculty members, over 500 undergraduate majors in BA and BS programs and over 120 graduate students in our Master of Science (MS), Master of Applied Geography (MAG), and PhD programs in geography, geographic education, and geographic information science. The Department of Geography is part of the College of Liberal Arts.
