

Future Leaders of Research Event

Connecting Businesses with Academic and Federal Researchers

The inaugural CU-Boulder Future Leaders of Research Event brings together academia, industry, and government to offer a unique window into ground-breaking research at The University of Colorado and associated Federal institutions. It is your chance to share your expertise, gain insight, and network with today's leaders in industrial and academic research. This is a free event with dedicated time for both poster sessions and networking. Food & refreshments will be provided.

Abstract Submission

Abstracts submission for posters will be open from April 18th to May 6th, 2011. Any Postdoctoral Fellows from any discipline at CU-Boulder or the Federal Labs based in Boulder are eligible to participate in this event.

Download an abstract submission form at the event website:
