

2015

## 60th Diamond Anniversary CO SCIENCE & ENGINEERING FAIR

COLORADO SCIENCE  
& ENGINEERING FAIR (CSEF) -

*Engaging tomorrow's STEM  
leaders today!*

COME BE INSPIRED!

DATE: Feb. 12th, 11 – Noon, Rm. FL 1022

**WHO & WHAT:** Russ Chadwick, Board President of CSEF (NOAA retired), and CSEF Board members Nancy Glissman and Gwyneth Glissman (former winner of NCAR Science Fair Award & attendee at the Intel National Science and Engineering Fair), join interested scientists, educators, and others to:

- o Share the benefits of involvement in the Colorado Science & Engineering Fair personally, professionally, and institutionally.
- o Answer questions about how to get involved and the time investment.

WHEN & WHERE:

Feb. 12th, 11 – Noon, FL Main Auditorium

Come and hear about the amazing science talent being nurtured throughout the state of Colorado then see for yourself at this year's fair in April at Colorado State University.

JOIN US FOR AN INFORMATIVE HOUR!
