

SEA Semester®

# Pacific Odyssey: Spring 2021

EXPERIENTIAL LEARNING ON SHORE & AT SEA

## Prepare for the Future

Have an adventure with a purpose this spring! Immerse yourself in an experiential learning odyssey on shore in Southern California and at sea aboard a sailing research vessel. Join a network of 10,000+ SEA alumni who consistently stand out from the crowd on college, grad school, internship, and job applications.

## Program Highlights

### Dates

February 22 - April 19, 2021

### Voyage

San Diego » Monterey

## Benefits

- Take your learning out of the classroom and into the field.
- Gain self-confidence and self-reliance that will prepare you for success in college and beyond.
- Conduct environmental research that will contribute to a better understanding of our oceans.
- Develop lifelong skills in leadership, teamwork, communication, and critical thinking as a crewmember aboard the SSV *Robert C. Seamans*

## Who Should Apply?

This program is designed for students taking a gap year between high school and college or gap term from college who are looking for an in-person experience in spring 2021 and are not seeking academic credit for their participation.
