

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY JOB OPPORTUNITY NOTICE

Come work for the U.S. Environmental Protection Agency, Region 9! We are currently accepting applications online at www.usajobs.gov for a Life Scientist/Physical Scientist GS-11 position, in our Air and Radiation Division, located in San Francisco, CA.

As a Life Scientist/Physical Scientist, you will: perform complex technical review and modeling analyses, and provide authoritative technical guidance on controversial or precedent-setting interpretation and implementation of air pollutant modeling regulations for regulatory actions such as State Implementation Plan attainment demonstrations, Prevention of Significant Deterioration (PSD) permit modeling, and visibility impacts evaluated under the Regional Haze Rule; develop air pollution studies using specialized dispersion modeling programs and statistical techniques and prepare technical support documents describing the studies and results; serve as the Air and Radiation Division's technical resource on regulatory initiatives and other projects related to ambient air modeling, meteorology, and atmospheric science.

Qualifications: PLEASE READ ENTIRE ANNOUNCEMENT AT www.usajobs.gov FOR EDUCATION QUALIFICATIONS AND REQUIRED DOCUMENTS SUCH AS TRANSCRIPTS.

GS-11: You need to have at least one year of full time experience equivalent to the GS-09 level (GS-09 level experience is defined as: experience conducting dispersion or photochemical air quality modeling; experience assessing the effects of emissions on air quality; and communicating conclusions or results to technical OR non-technical audiences) – OR - Ph.D. or equivalent doctoral degree, or 3 full years of progressively higher level graduate education leading to such a degree in a relevant academic discipline as described in the job announcement. Go to the www.usajobs.gov announcement for additional details and requirements.

How to Apply: www.usajobs.gov and search for **CI-R9-OT-2021-0008**, or visit: <https://www.usajobs.gov/GetJob/ViewDetails/605062700>

Application Requirements: Create your profile now in usajobs.gov and upload your **RESUME** and **TRANSCRIPTS** into your profile and respond to the **ONLINE ASSESSMENT QUESTIONNAIRE**

Opening & Closing Date: **JUNE 18, 2021 to JUNE 25, 2021**

Position Title: Life Scientist/Physical Scientist, GS-11

Salary: \$78,861 annually

Duty Location: San Francisco, CA

Work Schedule: 40 hours per week

Who May Apply: Any U.S. Citizen may apply

EPA is an equal opportunity employer - Selection for this position will be based solely on merit without regard to race, color, religion, age, gender, national origin, political affiliation, disability, sexual orientation, marital or family status or other differences.

EPA provides reasonable accommodations to applicants with disabilities. If you need a reasonable accommodation for any part of the application and hiring process, please contact the Agency at (415) 972-3817. The decision on granting reasonable accommodation will be made on a case-by-case basis.
