

# L'Université de Montréal et de votre carrière.

Deeply rooted in Montreal and dedicated to its international mission, Université de Montréal is one of Canada's Top 100 Employers. Like the city whose name it bears, it is effervescent and multicultural.

UdeM attracts over \$500 million in research funding every year, making it one of the top three university research hubs in Canada. It also ranks among the top 100 universities worldwide and among the five best French language universities.

Through the achievements of the members of its community, UdeM participates in building today's and tomorrow's world.

## Assistant or Associate Professor in Geographic Information Science (GIS)

### Department of Geography

Faculté des arts et des sciences

#### Job description

The Department of Geography invites applications for a full-time position at the Assistant or Associate Professor level in GIS. We are interested in candidates that (explicitly or critically) manipulate mapping and/or spatial analysis tools to study social and/or environmental dynamics within the main disciplines of geography. The selected person will enrich our teaching program in geomatics and will strengthen our main research themes or develop new ones, including (but not exclusive to) political geographies, feminist geography, indigenous geography, climate change, or natural risks.

#### Responsibilities

The appointed candidate will be expected to teach undergraduate and graduate geomatics courses, supervise graduate students, be active in research, publishing, and the diffusion of knowledge, and contribute to the activities of the University.

#### Requirements

- » Ph. D in geography or a related discipline. Candidates completing dissertation will also be considered;
- » Strong research record;
- » Demonstrated ability to provide high quality university teaching;
- » An adequate knowledge of the French written and spoken language **or** a strong commitment to mastering the proficiency level required, in accordance to [Université de Montréal's Language Policy](#). An institutional learning support program is offered to all professors wishing to learn French or improve their communication skills.

## How to submit your application

The application file should contain the following documents:

- » A cover letter (maximum two pages);
- » The application must include in the cover letter one of the following statements: "I am a citizen/ permanent resident of Canada." or "I am not a citizen or permanent resident of Canada.;"
- » Curriculum vitae;
- » Sample of recent publications or research papers if not publicly available;
- » Teaching philosophy (maximum one page);
- » Presentation of your research program (maximum two pages);
- » Names, institutional affiliations and contact information (including email addresses) for three academic referees that will be contacted at a later time if selected.

Application file must be sent by email before **November 4<sup>th</sup>, 2022** to:

**Julie Talbot**

Chair, Department of Geography

a/s Isabelle Pelletier

## Additional information about the position

<b>Reference number</b>	FAS 09-22/19
<b>Application deadline</b>	Until November 4 <sup>th</sup> , 2022 inclusively
<b>Salary</b>	Université de Montréal offers competitive salaries and a full range of benefits
<b>Starting date</b>	As of June 1 <sup>st</sup> , 2023

### DIVERSITY AND INCLUSION

**Université de Montréal is strongly committed to fostering diversity and inclusion.** Through its *Equal Access Employment Program (EAEP)*, UdeM invites applications from women, Aboriginal people, visible and ethnic minorities, as well as persons with disabilities. We will –confidentially – adapt our recruitment mechanisms to the specific needs of people with disabilities who request it.

UdeM embraces a broad and inclusive definition of diversity that goes beyond applicable laws, and therefore encourages all qualified individuals to apply, regardless of their characteristics. However, in accordance with Canadian immigration requirements, priority will be given to Canadians and permanent residents.

In order to measure the impact of its equity, diversity and inclusion actions, UdeM is collecting data on applicants identifying themselves with one of the groups targeted by the Equal Employment Opportunity Act, namely women, Aboriginal people, visible minorities, ethnic minorities and people with limitations. To this end, we thank you for completing [this self-identification questionnaire](#). The information you provide through this form is **strictly confidential** and will be shared only with those responsible for the UdeM EAEP. If you wish, you may also indicate that you belong to one of the targeted groups in your cover letter, which will be reviewed by the selection committee and the assembly of peers.

Université de Montréal's application process allows all members of the Professor's Assembly to review the application files submitted. If you wish to keep your application confidential until the shortlist is established, please mention it in your application.
