

## VIRTUAL WORKSHOP SCIWS7 - 3 DECEMBER @ 10AM PST

### Bringing Your Film Idea to Life: Crafting Outreach Videos for Diverse Audiences

Do you want to share about a field season or a new scientific finding? We want to help you develop your ideas for a science outreach film.

During this workshop, participants will:

- Discuss representing diversity in the Earth sciences
- Receive guidance on telling an impactful science story
- Participate in filmmaking activities

Brought to you by: **PROVARE**  
MEDIA

**NCAR** | NATIONAL CENTER FOR  
ATMOSPHERIC RESEARCH

Limited Seating!  
Register by  
20 November
