

UCAR Remote Sensing Initiative **Workshop**

This new Initiative provides a focal point for UCAR satellite remote sensing instrumentation, data and science activities and promotes collaboration across the organization. The workshop will be an opportunity to showcase our work with talks, posters and breakout discussions.

WHEN: Thursday May 11, 2023

WHERE: UCAR Center Green 1

SIGN UP: Now until May 1, 2023

WEB: <https://www2.acom.ucar.edu/remote-sensing>

A project of the UCAR President's Strategic Initiative Fund
