Application deadline:
October 8, 2026

Awards made by:
November 5, 2026

Visits starting as early as:
January 2027

EdEC Faculty Fellowship Program

The Education, Engagement & Early-Career Development (EdEC) Faculty Fellowship Program (FFP) provides opportunities and resources for faculty at U.S. universities to work in residence at the U.S. National Science Foundation National Center for Atmospheric Research (NSF NCAR) for up to three months to further NSF NCAR's strategic priorities. Anticipated outcomes include the development of new research collaborations, joint research proposals, scientific publications, and classroom content development.

Collaboration

Collaborate with
NSF NCAR scientists
and engineers

Cutting edge resources

Access NSF NCAR
computing facilities and
Earth system models

Travel support

Travel support and a
living allowance for
one to three months
